Document info page: clicking on the document name now opens the document: also displayed is the information related to the document, including the date it was uploaded (created on) and which group posted the document.

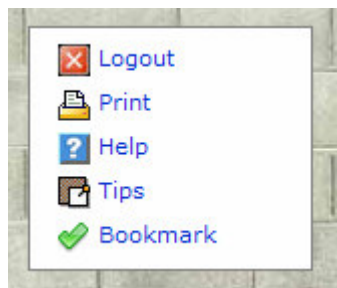

All other similar features are changed in a similar way, including Web Links, Sermons and Sponsors.

In addition, all other features now include the "e" icon to allow for direct editing from the list pages.

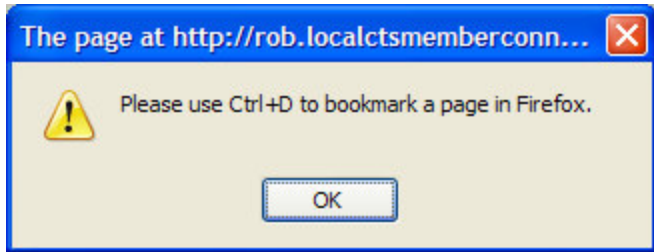

2. Ability to add church's MC site as a favorite/bookmark/set as homepage

CHANGES:

Every page now contains the "Bookmark" link:

In Internet Explorer, clicking on it adds a bookmark. In all other browsers, it informs the user what he needs to do, for example, in Firefox you get the message box:

On the login page, you also get the opportunity to bookmark the page:

3. Larger upload sizes for audio & video files

CHANGES:

Increased the file upload limit from 25 MB to 50 MB.

4. Change top level group to CHURCH

CHANGES:

Now whenever a new church is created, the abbreviation for its top-level group will be CHURCH.

5. Family role a required field

Family Role should be a required field so that members can edit their own information as need. Customers have called complaining about this because they cannot edit their family information, but can edit their own information. It make this a little more seamless.

The Family Role field on the member edit form is now required.

6. Ad text prompt

CHANGES:

The new sponsor info page no longer uses the "Ad Text" prompt. In addition, the prompt that said "Web site" now says "Visit us at", and you can click on the sponsors name to go to their web site:

The screenshot shows a web interface for a 'Sponsors' section. At the top, there is a header with a thumbs-up icon, the word 'Sponsors', and a link for 'Sponsor info.'. Below the header are four buttons: 'Add', 'Edit', 'View List', and a question mark icon. The main content area displays the details for 'Joe's Painting Service'. It includes a call to action 'Buy from me now!', a text box containing 'this is the details', 'blah blah blah', and 'last line', and a website link 'Visit us at: http://www.jistsw.com'. At the bottom, it shows creation and update timestamps: 'Created: Fri Mar 30 (3/30/07) @ 10:49 AM' and 'Updated: Wed May 23 (5/23/07) @ 4:16 PM'.
